ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed December 4, 2006, to revive the above-identified application.

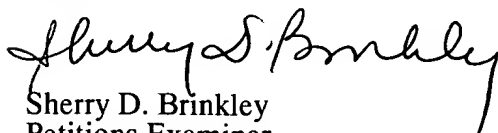

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of February 10, 2006. A notice of Abandonment was mailed on October 3, 2006. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). On December 4, 2006, the present petition was filed.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE), including the fee of \$790 and the submission required by 37 CFR 1.114; (2) the petition fee of \$1,500; and (3) a proper statement of unintentional delay.

The application is being referred to Technology Center AU 2625 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
